Accord School, Sricity

ANNUAL REPORT - 2022-23

Sricity was founded in 2008, with a mission to build a world-class smart city that would bring socio-economic development and promote entrepreneurship. The Accord School continued for the record eighth consecutive time as the no: 1, in the Co-Ed Day cum Boarding School in Tirupati, No:2 in AP, & NO: 25 In India, as per the rating on 12th October 2022, by the Education World India School Rankings 2022-23, was the one school that was the choice of this smart city, so that a world-class institution with a top-notch infrastructure that has a curriculum that focuses on building the skills in language arts, cracks the concepts in Math, Science & Social integrated with Sports, Performing & Visual Art is built for the benefit of the company executives and others in the vicinity.

A perfect brick was laid in the year 2019, for building the second branch of Accord School, at Sricity. COVID-19 built a wall unfortunately hindering the process but like the phoenix

we sprang from the ashes, as the beacon of hope and brought a change here in this land.

The secret of the sauce is not the brick and mortar but the real motivation extended by our awesome threesome, our Management, the Chairman, Shri, Chandrasekar Reddy, and our Directors, Mr. Prashanth and Mr. Vivek.

The journey of setting a vision for this institution and constructing the curriculum and programs, as the building was being constructed, started at the visitor's center, at Sricity.

We started our official admissions for the academic year - 2021-22 from the cozy office space at the visitor's center.

Being the founder and Principal of the school, I am delighted and overwhelmed to nostalgically narrate the journey so far and take you down memory lane. Gratitude cannot be in mere words for the warmth and support extended by every single person at the visitor's center. Every child who walked in mistook the visitor's center as the school. I remember our first bridge course started in the classroom space at the Trade Center, Sricity, which was shifted to the virtual mode within a week's time as there was a surge in April -2020.

We worked virtually but created a real impact as our teachers became the stars in every household in the vicinity. We were on a mission to spread the joy of learning, empowering all students with the 5Cs, Care, Communication, Collaboration,

Creativity, and Confidence to make their distinctive contribution in this diverse and progressive world.

Our teachers had a virtual orientation in the month of May 2020. Dr. Sultan Ahmed Ismail, an eminent educationist, Member of, the State Planning Commission, and Dr. V.R.Devika, a Gandhian, veteran educationist with a vision to integrate traditional art, music, dance, and Gandhian philosophy with education were the resource people. We resumed classes in June 2020, with 112 students from KG to VII.

When the world was in the grip of gloom & darkness, we were spreading hope, courage, and the light of literacy. Our festivals, national and international days were observed virtually. The Canvas, LMS, had made a world of a difference and our students picked up their language, and aced their Math, Science, and Social concepts too by the end of the year.

We were invited by the resource person Dr. V.R.Devika, to participate in a virtual festival that celebrated the spirit of resilience and joy that had helped all of us through the eighteen difficult months of the COVID-19 pandemic. This was hosted by the Pathashaala Palar Center for Learning, part of the Krishnamurti Foundation of India on 26 September 2021. This festival's objective was to attempt to capture the stories of creativity, resilience, and endurance from class VIII and their facilitators across the invited schools.

Our students from Grade -VIII, the current ninth graders participated in the fest and presented their experiences during the lockdown in the most creative way and bagged the coveted first position among the listed schools. Accord School, Sricity's first recognition amongst top schools from Salem, Dindigul and Thiruvallur District of Tamil Nadu. Leela Samson a Bharatanatyam dancer was the Chief Guest and Dr. Sivagamasundari, Consultant, the State Resource Cell, Tamil Nadu, was the Guest of Honour of this fest titled "Kondattam".

We haven't left any stone unturned though we had our constraints of training our students virtually. We stepped into the physical classrooms in February 2021, the National Science Day was our first event inside our school premises.

We worked on various themes from KG to Grade VIII. Parents also visited to meet our confident bunch of students and understand their flair in language and their temperament towards science.

Our first batch of KG students graduated on 26 March 2022, and the Vice-President, of customer relations, Sricity, was our Chief Guest who did the honors of felicitating our Kindergarten graduates with the sashes and the certificates.

Our first year in a full-fledged physical infrastructure started on 6th July 2022, after the initial one-month bridge course in April 2022. The bridge course was to fix the lapses of the huge group who had lost their fundamentals victimized by the pandemic. Our efficient team of teachers knew the Herculean task at hand and we had war room calls often to work on our strategies.

The diagnosis revealed a lack of basic literacy and numeracy with writing skills that needed intensive care. With tireless work, we were able to shape the children from Grades I -VIII, put them on track, and make them practitioners of the English language within six months.

As the year of many firsts, we cherish the day we saw our kids in their designer uniforms from the revolutionary designers of uniforms from Bengaluru. We constituted the four Houses namely, Mavericks, Vikings, Spartans, and the Wizards.

We participated in the 8th International Yoga Day celebrations organized by the Sricity Management at the Visitor's Centre on the 21st of June, 2022. We had a contingent of 35 students, 15 teachers and four admin staff, and the Principal who attended the programme.

"The most important period of life is not the age of university studies, but the first one, the period from birth to the age of six as rightly said by Dr. Maria Montessori.

To bring awareness to the importance of Early Childhood Education we have set up an International Kindergarten that comprises three environments namely the Nursery IK-Level -1 & 2, after extensive research. We follow a culmination of Montessori, Te Whariki (the phar ri ke), and Emilia's methodology. We have also integrated the techniques to gauge English Language Assessment Standards through thematic learning. We extend the practices across the Primary classes from Grades 1 to 5 to build their language skills pertaining to all four domains -Listening, Speaking, Reading, and Writing. Let's have a glimpse of our teaching and learning at our International Kindergarten classrooms. Our trained and experienced teachers who are experts in phonics are followers of the footsteps of Dr. Maria Montessori, a woman ahead of her time, who insisted on innovation and a child-centered approach to education,

CLOSURE

We teach our children here at this campus to feel the wind under their wings so that it bears them where the sun sails and the moon walks. We teach them first to think, second to believe, third to dream, and finally to dare We teach them to believe in themselves as our motto says.

Today's Annual Production "Varna Utsav" will showcase our philosophy of education, highlight the strength of our team of teachers who can turn a tongue-tied student to speak the Shakespearean language, where we have shown how we can make a cultural event with a lot of scopes for learning and expressing through various art forms. The anchors of both the first half and all the anchors of the prerecorded production and the ones in the English Telugu and Tamil plays have memorized lengthy and challenging lines within days. We have also shown that entertainment is also possible through research and need not always be dependent on movie songs.

Let me rest by saying, Parents, we believe in your child's potential more than you do as we believe in believing in ourselves and stand by our motto.
