Dear Parents

Greetings from Accord School !!!

This is to inform you that **starting tomorrow, our school will be conducting photo sessions for the Academic Year 2023-24 student ID cards.** All students need to have an updated ID card, which will be used for various purposes throughout the school year 2023-24.

The photo session will be held at school, and all **students are required to come in their full school uniform.** This will ensure that all students look presentable and professional in their ID photos.

Note: For newly admitted students, the uniform rule won't apply. We will handle it and take the photograph.

Thank you for your cooperation in this matter.

Best regards,
